I got a secret, I gotta tell you.
We're gonna make it,
Just let me show you how.
Calm down.
Little reminder, everything's fine yea.
Why the sad look, love?
You look better smiling, oh.
So listen good.
I got a feelin', what you need is,

Chin up boy, chin up boy yea
You are the one I love, the one.
Chin up boy, chin up boy yea
You are the one I love, the one.
So live a little, let go, oh oh, oh oh oh.

Don't listen to them,
Get in your head and say
Everything you don't need to hear about,
Push 'em out.
You feeling down now?
You know I can tell cuz,
You're off in your own world,
Picturing something blue.
I'm missing you.
I got a feelin', what you need is,

Chin up boy, chin up boy yea
You are the one I love, the one.
Chin up boy, chin up boy yea
You are the one I love, the one.
So live a little, let go, oh oh.

Just take this kiss,
Forget about the rest of it,
Watch it fade out in time
It's gonna be fine.
(x2)

Oh oh, oh oh

Chin up boy, chin up boy yea
You are the one I love, the one.
