I've never met you  
But I miss you  
I've been waiting for you  
If I saw you  
Would I recognize you  
Would I know just what you do

Cause if it's love  
I'm in  
You want me to wait  
For a minute  
While the crowd dies down  
And there's no one around  
Except me and you  
For a minute or two  
I'm in  
I'm in  
I'm in

I've never met you  
But I miss you  
I've guess I've wished for you  
A thousand times  
My heart's ready,  
My soul's steady  
I wanna lay  
In my lovers arms

Cause if it's love  
I'm in  
You want me to wait  
For a minute  
While the crowd dies down  
And there's no one around  
Except me and you  
For a minute or two  
I'm in  
I'm in  
I'm in

Oh I'm gonna show you I know you

Oh I'm gonna tell you I need you  
And I, I want in

Cause if it's love  
I'm in  
You want me to wait  
For a minute  
While the crowd dies down  
And there's no one around  
Except me and you  
For a minute or two  
You look at me and I see everything  
I'm in  
I'm in  
I'm in
