You did it again
It feels like you don't want me
Your stuck in my head
But you've got nothing for me

So I'm leaving tonight
Not waiting till morning
I look you in the eye
But you've go nothing for me

So I'm leaving tonight
Cause it feels right
No reason to try
Oh my heart could never catch you
So I'm leaving tonight
Cause it feels right
No reason to try
Oh cause you got nothing for me
Oh cause you got nothing for me

I'll call my friends
They'll save a table for me
We'll talk about you
I bet they won't ignore me

Cause I'm leaving tonight
Not waiting till morning
I look at you one last time
But you've go nothing for me

So I'm leaving tonight
Cause it feels right
No reason to try
Oh my heart could never catch you
So I'm leaving tonight
Cause it feels right
No reason to try
Oh cause you got nothing for me
Oh cause you got nothing for me
Oh cause you got nothing for me
Oh cause you got nothing yeah

So I'm leaving tonight
Cause it feels right
No reason to try
Oh my heart could never catch you
So I'm leaving tonight
Cause it feels right
No reason to try
Oh cause you got nothing for me
Oh cause you got nothing for me
Oh cause you got nothing for me
