I'm dreaming of a life
with no regrets.
I'm dreaming of a
sun that never sets.
That burns my heart and
takes my feels apart.
I'm dreaming of Brasil.

And than tomorrow found
me miles away.
With still a million different
things to say.
That bossa nova beat
Para onde quiseres me levar
when I'm thinking of.

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade

I could live like this
forever.

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade

I could live like this
forever.

my mind always dancing
when I'm here.
The rhythm of the passion
we can hear.
The bossa nova beat
that makes me move my feet.
We are dancing in Brasil.

And when the twilight
beam the skyes above.
It make me hear the
thrills of our love.
I'm feeling high and
only you know why.
Together in

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade

I could live like this
forever.

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade.

I could live like this
forever.

I could live like this
forever.

Na na na...

I could live like this
forever.

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade

I could live like this
forever.

Brazil ade, mmm Brazil ade
mmm Brazil ade lade lade lade
mmm Brazil ade

I could live like this
forever.
