Andreea Banica:

Come with me, come with me, I'm your angel
Every day, every night, in my shining heart
Come with me, come with me, I'm your angel
Baby love, without you, I'm a falling star
Falling star, I'm a falling star
Shining heart, I'm a falling star
Shining heartâ€¦

Laurentiu Duta:

I'm in love with you I wanna stay
You and me together on and on
I can feel inside me day by day
Look into my eyes you make me strong
With your loveâ€¦.
