Used to be that I believed in something
Used to be that I believe in love
It's been a long time since I've had that feeling
I could love someone, I could trust someone
I said I'd never let nobody near my heart
Again darlin' I said I'd never let nobody in

But if you asked me to, I just might change
My mind, and let you in my life forever
If you asked me to, if just might give my heart
And stay here in your arms forever
If you asked me to, if you asked me to

Some how ever since I've been around you
Can't go back to being on my own
Can't go help feeling darling since,
I've found you, that I've found my home,
That I'm finally home
I said I'd never let nobody get
To close to me darling' I said needed,
Needed to be free

But if you asked me to, I just might change
My mind, and let you in my life forever
If you asked me to, if just might give my heart
And stay here in your arms forever
If you asked me to, if you

Ask me to, I will give my world
to you baby, I need you now
Ask me to when I'll do anything
for you baby, for you baby...

But if you asked me to, I just might change
My mind, and let you in my life forever
If you asked me to, if just might give my heart...
(if you asked me to)

All you gotta do is ask me to
I'll give you my world,
I'll give you my heart my everthing

If you ask me to, all you gotta do, all you gotta do

If you ask me to I just might change my mind
And let you in my life forever
