"Long Way Out"

you're electric animated when you want to
apathetic just to illustrate
now the pages seem to crumble into ashes
time to throw the book away
it's such a long way out when you cannot see
a long way out cuz you're in too deep
and now you can't turn around there's no end to reach
a long way out it's so bittersweet
you're the only evidence I couldn't handle
we might as well be strangers for a day
torn between what is real and everything I'm after
I don't think I'd want to stay
it's such a long way out when you cannot see
a long way out cuz you're in too deep
and now you can't turn around there's no end to reach
a long way out it's so bittersweet
drunken confessions
contradicts the way you always put on a masquerade
it's hopeless to find
that you're changing your mind
it's all a lie
it's such a long way out wrong way out
a long way out you can't turn around
it's such a long way out when you cannot see
a long way out cuz you're in too deep
and now you can't turn around there's no end to reach
a long way out it's so bittersweet
it's such a long way out
it's such a long way out
and now you can't turn around there's no end to reach
a long way out it's so bittersweet
