I'm falling asleep  
as i stare at the ceiling  
in my dreams  
the memories won't stop bleeding  
I'm loosing the score  
the game is in your favor  
there's no reward  
just chemistry i savor  
but I don't want a temporary fascination that gets old  
where heading in an ordinary world without a soul  
you're the only thing i had  
but it's best to let you go  
nothing lasts forever  
the more i showed  
the less you tried to watch me  
the more i told  
the less you heard my meaning  
but I don't want a temporary fascination that gets old  
where heading in an ordinary world without a soul  
you're the only thing i had  
but it's best to let you go  
nothing lasts forever  
you're the only thing i had  
but it's best to let you go  
nothing lasts forever  
nothing lasts forever  
so this is your reflection  
broken worn and...  
plain  
it's sad I knew you  
so bury the deception  
nothing is the...  
same  
just shameless virtue  
you're the only thing i had  
but it's best to let you go  
nothing lasts forever  
you're the only thing i had  
but it's best to let you go  
nothing lasts forever  
nothing lasts forever
