Your love is like the water  
It sets me free and as free as I can be  
Singing his love is like the water  
It sets me free and as free as I can be

Unconscious like numb skin, I wait within  
Waiting on him  
Yes I'm like nicotine, I'm so addictive  
Spray your fixative, I'm stuck on you  
Don't walk away you say you walk just for games  
I get asthma trying to explain your love to other  
characters  
They feel they smarter but I'm stronger  
Because I live on love, love like water  
I'm the greatest mother for ya, we were made to be  
together  
Now stop  
Now if heroine passes by man I'll pass heroine  
It's so thin, the line between drugs and your love within  
Man I'll go clean, I'll go clean off the face of this earth  
If you hurt me and leave, cuz I bet you never thought  
The reason why I'm still here is cuz your love is like the  
water

Your love is like the water  
It sets me free and as free as I can be  
Singing his love is like the water  
It sets me free and as free as I can be

Be patient not everything is presentation  
I hesitate still to fully love  
And I know I'm crazy but it's not mythology  
He has me  
We got more Chemistry than we even have biology  
Now I'm drunk off his love  
I hit the floor, my wings are sore  
It's kinda board, not really broad  
I want to call but I will fall  
I want to stay forever young  
And sing a sudden frequent freedom  
But I'm hung  
Stop rhyiming

Your love is like the water  
It sets me free and as free as I can be  
Singing his love is like the water  
It sets me free and as free as I can be
