I've been around the way I've been around the block I  
got the keys to the city if the gates are locked And a  
freak like me ain't bout to stop I got a hand full of  
dreams and a heart full of God Everywhere we go they  
wonder where we're from Well it's diverse city ya'll  
welcome to come It sits high on a hill you can see it for  
days And even if you can't you can hear our praise We  
go ... 'Cause we're boomin' out the stereo system This  
goes out to anyone listening Boomin' out the stereo  
system Here to rep the most high with this one Boomin'  
out the stereo system This goes out to anyone listening  
Boomin' out the stereo system 'Cause we rock for sure  
in stereo If you're looking to slide, come slide with us  
And if you're looking for a ride, it's a big old bus We  
got black folk, white folk and Middle East Mexican,  
Filipino - Jesus Freaks Got a Haitian Princess, an Aussie  
Mate East Coast, Midwest to left side of the states And  
when the bus rolls, it's out the dirty south Tennessee  
and we keepin' it good and loud we go I got portable  
sounds to lift me up Portable sounds to take me higher  
Portable sounds to lift me up So don't even try to get in  
my head
