### Chorus

Hush little Baby don't you cry,  
Daddy's gonna sing you a lullaby  
Everything's gonna be alright,  
the Lord's gonna answer your prayers tonight( x2)

Last night you had a dream  
You was the Homecoming queen  
Today your 18  
Happy birthday Irene  
quite school, you had to drop out to raise your little  
child  
( don't you cry, it will be alright)  
You got to reach up to touch rock bottom  
the powers that keep you downtrodden  
daughter of Zion, I heard your prayers  
just cast your cares, and please beware of snakes  
they come in all shapes in sizes  
tempt you, put scales on your eyelids  
don't waste your sorrows  
they give you strength tomorrow  
your callverys about to come  
so keep your head up  
don't you ever let up  
the storm will pass  
you'll be ready for the next one

### Verse

Hey little girl with the pressures of the world on your  
shoulders  
don't say that its over, i heard your prayers  
just cast your cares, and ill be there, so don't you fear(  
x2)

### Chorus(x2)

Irene, I carried you when you was to weak to walk  
I took to you when you gave your heart to God  
Faithful and true, that's what I'll always be to you

Believe in you, believe in Me and these mountains have  
to  
move  
You have dreams and aspirations  
I knew you before Creation  
Your foundation's solid  
I will give you a palace, restore your soul  
You'll be up for any challenge  
Many storms are on the way; better sharpen your faith  
Count the cost, take up your Cross  
And wear it everyday  
Rest in me and I will give you strength  
Blessed is she, Irene, who seeks my face
