The dream is fading, now I'm staring at the door
I know it's over cause my feet have hit the cold floor
Check my reflection, I ain't feelin what I see
It's no mystery
Whatever happened to a passion I could live for
What became of the flame that made me feel more
And when did I forget that...

I was made to love you
I was made to find you
I was made just for you
Made to adore you
I was made to love
And be loved by you
You were here before me
You were waiting on me
And you said you'd keep me
Never would you leave me I was made to love
And be loved by you

The dream's alive with my eyes opened wide
Back in the ring you've got me swinging for the grand
prize
I feel the haters spittin vapors on my dreams
But I still believe
I'm reachin out, reachin up, reachin over
I feel a breeze cover me called Jehovah
And daddy I'm on my way
Cause I was made to love...

I was made to love you
I was made to find you
I was made just for you
Made to adore you
I was made to love
And be loved by you
You were here before me
You were waiting on me
And you said you'd keep me
Never would you leave me I was made to love
And be loved by you

I was made to love you
I was made just for you
Made to adore you
I was made to love
And be loved by you
You were here before me
You were waiting on me
And you said you'd keep me
Never would you leave me I was made to love
And be loved by you
