Momma never said it would be like this  
I never knew such bliss existed  
Or maybe it's just so indescribable  
Love was liable to get her twisted  
She never told me but if she tried I was a little too young  
it floated right by me  
I never dreamed love so fulfilling it's simply killing and  
over spilling on me

It goes on and on and on and on and on  
Its over spillin? on me  
It goes on and on and on and on and on  
It goes on and on, Yo

This ain't no ordinary  
This ain't no ordinary love  
This ain't no ordinary  
Gonna tell everyone up under the sun (2 times)

I refuse to believe we're a dying breed  
Children of peace, hope and harmony

Ordinary folks extraordinary love  
Something from above  
Something we fall short of  
You can't see with an untrained eye  
But if you take a little time you are sure to find it  
We complicate something so basic  
But once you taste it, you gonna chase it like me

It goes on and on, Yo  
It goes on and on

This ain't no ordinary  
This ain't no ordinary love  
This ain't no ordinary  
Gonna tell everyone up under the sun (3 times)

A-yo here we go, open up the gates and let it flow...  
A-yo here we go, Love's gonna take us higher (2 times)

This ain't no ordinary?  
This ain't no ordinary love  
This ain't no ordinary  
Gonna tell everyone up under the sun

This ain't no ordinary  
This ain't no ordinary love  
This ain't no ordinary  
Gonna tell everyone, tell everyone (2 times)

This ain't no ordinary love  
It's extraordinary love (2 times)
