Think think dad your pity pityful
Think think dad your pity pityful
Think think dad your pity pityful
Think think dad your pity pityful
Think think dad your pity pityful (oh oh ok)
Think think dad your pity pityful (and sing a song)
Think think dad your pity pityful (oh, oh, ok)
Think think dad your pity pityful (and sing a sing a
song)
Think think dad your pity pityful (down baby do baby
down baby do baby)
Think think dad your pity pityful (down baby do baby
you're a tru dog)
Think think dad your pity pityful (down baby do baby
down baby do baby)
Think think dad your pity pityful (down baby do baby
you're a tru dog)
[repeat...]

[Toby:] You on the mic again?
Yes...
[Toby:] You know you're not supposed to be in here.
WHY??
[Toby:] It's daddy's studio.
Ok Daddy!
I can't get off the chair!
