#### INTRO

(Paul Wright)

Yo I'm a West coast kid,  
Livin' in Nashville

(Toby)

And I'm a East coast kid,  
Livin' in Nashville

(Paul)

Yo I'm a West coast kid

(Toby)

And I'm a East coast kid

(Paul and Toby)

Yo I'm a West coast, East coast, West coast, East coast

#### VERSE 1

(Paul)

Yo I'm a West coast kid,  
Livin' in Nashville  
Moved here in the summer when I got my record deal  
Plan to make a mil' but I've only sold a thousand  
So I relocated to low-income housing  
I'm all about singing the blues,  
Take a walk in my shoes  
You can see my point of view  
Country folk on the back porch, pickin' banjos,  
Grams and Gramps are bustin' a move with the dosey-  
doe's

#### CHORUS

Paul (and Toby)

It's all hip-hop to me yeah  
(It's all hip hop to me. It's all hip-hop to me)

It's all hip-hop to me alright  
(It's all hip-hop to me. It's all hip-hop to me)

It's all hip-hop to me  
(I'm a grab my guitar)  
(It's all hip hop to me. It's all hip-hop to me)

It's all hip-hop to me so tight  
(It's all hip hop to me. It's all hip-hop to me)

VERSE 2

Paul (and Toby)

(And I'm a grab my guitar)  
(And play you this song)  
(And all the people come on now)  
(And sing along)

West coast kid,  
Living in Nashville  
Moved here in the summer when i got my record deal

(Toby)

And I'm a East coast kid  
Livin' in Nashville  
Moved here in the winter when I got my record deal  
Started with some vinyl and a mic in D.C.  
Suburban little punk with an urban degree  
I'm all about makin' some noise  
And givin' people a choice  
Long as I'm hearin' God's voice  
All my folk on the back porch  
Tru, me, and Moses,  
Mandy, Marley, ain't it sweet how it grows,  
Sweet how it grows,  
Sweet how it grows us

CHORUS

Paul (and Toby)

It's all hip-hop to me yeah  
(It's all hip hop to me. It's all hip-hop to me)

It's all hip-hop to me alright  
(It's all hip-hop to me. It's all hip-hop to me)

It's all hip-hop to me  
(I'm a grab my guitar)  
(It's all hip hop to me. It's all hip-hop to me)

It's all hip-hop to me so tight  
(It's all hip hop to me. It's all hip-hop to me)

### VERSE 3

My mother used to sing me rhymes  
(Sing me rhymes)

When she put me to sleep  
(C'mon, c'mon)

I wonder if she realized,

She was sowing seeds  
(Sowing seeds)

And now they're growing growin'

Growing to the sky  
(To the sky)

And now I'm flowin' flowing  
(Flowin')

Flowing on this mic  
(What ya got, c'mon, what ya got, what ya got)

It's all hip-hop to me

### BRIDGE

(What you want, what you want, what you want, what  
you want, what you need)

It's all hip-hop to me  
(What you want, what you want, what you want, what  
you want, what you need)

(Paul)

Yo I'm a West coast kid,  
Livin' in Nashville

(Free your mind and free your soul)

(Loud and clear make a simple melody)
