

Arctic Death "River"

the river of regret would recently flood
i have to admit it didn't do me no good
i'm coping slowly

with all my options
i won't let you walk away
i guess that i'll just stay

i have enabled
200,000 people
to see.
to see me.

you won't you won't you won't you won't you hold me?
i didn't mean what i said.
you can't you can't you can't you help me?
i'll never understand

no girl i won't be
the best thing you always dreamed of
to slip the final weight is a death grip

it's your life force
and it's in a minute

with all my options
i won't let you go away
oh please
with all my options
i won't let you float away
please, please stay

you won't you won't you won't you won't you hold me?
i didn't mean what i said.
you can't you can't you can't you help me?
help me to understand

with all my options
i won't let you go away
you're my breath
you're the emptiness
you're the only thing left

you peel me
you.
