a golden arrangement was made  
a golden arrangement was made  
and it's so easy to hold on to all the promises that you  
made

a figure  
a monster  
a simple impostor

but i didn't even know you  
and you didn't even know me  
and we wrote the story out so both our sisters could  
see  
and i'll let you sit me down  
and i'll get in touch with my heart  
i wish you didn't always have to pick me apart

i'm a pinch on your arm  
i'm in too deep  
i'd love to run around with fireworks going off in your  
sleep  
you let me loose on myself  
i couldn't shut you in  
i'd love to say i'm leaving but i'd hate to pretend

i am just a patient  
you are my replacement

why does my life always get me in this situation

(just a little time)  
i'd kill to spend it with you baby  
(just a little hope)  
every minute loves to disobey me  
(just a little patience)  
i'd give it if i had it in a moment  
(just a little heart)  
yours is never sitting wide open

i'm a pinch on your arm  
i'm in too deep  
i'd love to run around with fireworks going off in your

sleep  
you let me loose on myself  
i couldn't shut you in  
i'd love to say i'm leaving but i'd hate to pretend

i am just a patient  
you are my replacement  
why does my life always get me in this situation  
i just wanna know you  
get a little hold of you

this isn't over
