Smoke, Mirrors and Lights
I have the feeling like it is all an illusion
All break is it right that way
I have the feeling it was all disillusion

Tonight
As I panic
Thought of you
Makes me manic and lose tears to my eyes

It's a bright came to boggle my mind
And I have the feeling it was going somewhere
Oh gees lock up the minute you missed
I get the feeling like I'm going nowhere

Tonight
As I panic
I'll put to rest
All the magic that ended up these slight of hand

And this is where I land

Oh I'll belong to what I've don't know
If I'll survive cause this is still my life
Oh I'll be strong for what I don't know

So you cornered me
Cut me into threes
She waves her arms and she going

So you punished me
From across the sea
I will be holding my breath
I will be stung and oppressed

Slight of hand
And this is where I land
Oh I'll belong to what I don't know
If I'll survive cause this is still my life
Oh I'll be strong for what I don't know

For what I don't know
