I can't seem to get these ghosts
out of my halls
collected all your wear
now I'm drowning in it all

I can't seem to get these ghosts out of my halls

I can't seem to get these stains
out of my skin
where were these spirits
when I was preying again

I can seem to get these stains

out of my skin

These spells are useless
no power in my voodoo dolls
crawling beneath my skin
to bear what was left

when I gave you all

I can't seem to get these ghosts
out of my halls
collected all your wear
now I'm drowning in it all
I can't seem to get these ghosts out of my halls
