Back through the do' back from a smoke  
Sit back relax and max with the hoes  
Chat with my folks laugh at them jokes  
I'm hard to the core and she bad to the bone  
Ask her to bone chats on the phone  
Her three friends with her just be tagging along  
As for the flow back to the song  
Flashbacks only bring me back to that thong  
Cause we've been getting, we've been getting high all  
Week  
Smoking, drinking I'm a drug cause she just high off  
me  
Now I'm back to the sto' blunt wraps for the dro  
Rolling back in that back wood  
Hash hitting smoke  
Money getting high so I past her the most  
She want that bread and butter so I pass her the toast.  
That ASAP motto is "Party, get high"  
We back to the future like Marty McFly

[Hook:]

Sometimes I think about the past  
Seems like the time is flying past  
Jump high my presence of this last  
The future's always going bad  
La la la la la la la la  
Back to the future like Marty McFly

Back through the do' back from the sto'  
Back to the wall with my back to the wall  
Rolling up a blunt, fastened it off  
Ass on the floor cash back on the floor  
Mack with the broads Chat to the whores  
There go my niggas, Dat to my dogs  
I pray on that pussy check with the Lord  
Seems how it seems like I had it before  
I think back way back wing with my memories  
We was getting high, sipping on Hennesey  
Now it's like lean  
Thinking back seat way back riding on something clean  
Ya know what I mean  
20-10s, we don't do the teens

Now it's 20-11

Let me know something, take her back to my session

Back to the pad, I'm back on that ass

Back to the future, back to the past

[Hook:]

Sometimes I think about the past

Seems like the time is flying past

Jump high my presence of this last

The future's always going bad

La la la la la la la la la

Back to the future like Marty McFly
