I be that pretty motherfucker, Harlem's what I'm
repping
Tell my nigga split the bitch and we gonna make it in a
second
Never disrespected plus I'm well connected
With this coke that I imported, just important as your
president
Swagger so impressive and I don't need a necklace
But these bitches get impressed when you pull up in
that 7
Them 6'is, them Benzes, I gets get the freshest
Raf Simons, Rick Owens usually what I'm dressed in
Rolling blunts rolling doobies up, smoking sections
Groupies rush holding boobies up, in my direction
Quit with all the fronting, you ain't round my click for
nothing
Cause our presence is a present, just to kick it is a
blessing

This is the way it goes, this is the way we roll
Cause everyday we oughta have pesos
This is the way it goes, this is the way we roll
Cause everyday we oughta have pesos
Gun cock Gun shot, gonna lick a boy
Gun cock Gun shot, gonna lick a boy
Gun cock Gun shot, gonna lick a boy
Cause everyday we oughta have pesos

Your bitchess said that I'm hot, man I told her I agree
She going really think I'm hot, if I told her my degrees
Pull up in that hard-top(vroemm), showing off my keys
Grabbed by school of hard-knocks, I can show you my
degrees
Couple A, B, C's, bad bitch double D
Popping E I don't give a F, told you I'm a G
A S A P, Stevie got it on his sleeve
But I got it on my chest, my nigga this is what I breath
Inhale exhale, cocaine X pills
Import export, Harlem catch a wreck steel
So mami show me how that neck feel
Later show me how the rest feel, for now just chill

This is the way it goes, this is the way we roll
Cause everyday we oughta have pesos
This is the way it goes, this is the way we roll
Cause everyday we oughta have pesos
Gun clock Gun shot, gone a little boy
Gun clock Gun shot, gone a little boy
Gun clock Gun shot, gone a little boy
Cause everyday we oughta have pesos

Cause everyday we oughta have pesos
Cause everyday we oughta have pesos
Cause everyday we oughta have pesos
