[Intro]

I get so high, I touch the sky 'til I can't even function
I get so high, I f*** around and wanna leave the
function

The only thing that's on my mind is I'm gon' leave with
something

But it's nothing, and we roll one with the 'tussin, and we
gon' get

[Hook]

Get get get get, Lit lit lit lit [x4]

[Verse 1]

It's about to go down, drunker than a b****

Afterparty with my n***** slumber party with your
b****

Finna hit the lick, 10 56, takin' sips, let the syrup sit
Let it get the mix, everyday we gettin' gettin' lit
That Purrrp purp and I get lit, 'methazine, tell 'em sip
this

I'm on that Memphis, that 666, trip six s***, b*****es
A 50 box of them Swishes, Ghost slabs on them 6's
In the back seat full of b*****es, tryna hit licks, we gon'
get lit

[Hook]

Get get get get, Lit lit lit lit [x4]

[Interlude: Fat Tony]

Niggas so throwed like we don't know no better

We disobedient, nigga

Mama wanna grab the switch

We like "fuck that, nigga, we out here, mayne"

Coming down, coming live

[Verse 2]

Just light the candle on the nightstand, sitting by the
lotion

I got her open, got her floating off this purple potion
Just take a hit, no time to quit because you gotta smoke
this

I gotta focus when I pour it cause it's kinda potent
(She like them all gold slugs) No diamonds on it
I chunk the deuce I'm coming down and I be riding
spokes and

I be that pretty muthafucka and you got to know this,
this

Now we gotta go get, get, now we gotta go get
[Hook]
Get get get get, Lit lit lit lit [x4]
[Interlude: Fat Tony]
Young nigga from the southside of H-Town
Fat Tony up in this bitch
Fuckin' with ASAP Rocky in this bitch
You know how young niggas connect from state to
state
Feeling great, nigga
Puttin' it in ya face, nigga
