[Verse 1]

I be that pretty mothafucka, Harlem's what I'm repping
Tell my niggas quit the bitching and we gon' make it in
a second

Never disrespected plus I'm well connected
With this coke that I imported, just important as your
president

Swagger so impressive and I don't need a necklace
But these bitches get impressed when you pull up in
that 7

Them 6's, them Benzes, I gets get the freshest
Raf Simons, Rick Owens usually what I'm dressed in
Rolling blunts rolling doobies up, smoking sections
Groupies rush hold they boobies up, in my direction
Quit with all the fronting, you ain't round my clique for
nothing

Cause our presence is a present, just to kick it is a
blessing

[Hook]

This is the way it goes, this is the way we roll

Cause everyday we on our pesos

(Gun cock, gun shot, gonna lick a boy)

Cause everyday we on our pesos

[Verse 2]

Your bitch just said I'm hot, man I told her I agree
She gon' really think I'm hot, if I told her my degrees
Pull up in that hard-top, showing off my keys
Graduate school of hard-knocks, I can show you my
degrees

Couple A, B, C's, bad bitch double D's

Popping E, I don't give a F, told you I'm a G

A.S.A.P., Stevie got it on his sleeve

But I got it on my chest, my nigga this is what I breath

Inhale, exhale, cocaine, X pills

Import, export, Harlem catching wrecks still

So mami show me how that neck feel

Later show me how the rest feel, for now just chill

[Hook]
