Do do do do do do do
Do do do do do do do

Robert's got a quick hand
He'll look around the room
He won't tell you his plan
He's got a rolled cigarette hanging out of his mouth
He's a cowboy kid
He found a six-shooter gun
In his dad's closet hidden in a box of fun things, I don't
even know what
But now we're coming for you, yeah we're coming for
you.

All the other kids with the pumped up kicks
You'd better run, better run, outrun my gun
All the other kids with the pumped up kicks
You'd better run, better run, faster than my bullet
All the other kids with the pumped up kicks
You'd better run, better run, outrun my gun.
All the other kids with the pumped up kicks
You'd better run, better run, faster than my bullet.

(Outro)
Well, he really likes ??
Look at him. He really likes running,
Look at his legs.
