(Verse 1: A\$AP Rocky)

Show up when it's closing
Turn up then I go in
With me, myself, and I
And just a couple of my broheems
I don't need no homeland
Security, my own man
That means I am a grown man
Want beef and then we go HAM
Like, whoa damn, that old man
She twerkin' it with no hands
These other niggas hatin'
They remind me of my old friends
Golden and I'm glowin'
My shoes is Ricky Owen
Coke man
My business ain't the only thing her nose in
People takin' pictures, I ain't even posin'
Couple famous niggas make these bitches slow dip
Reality, she sweatin' me
Her fantasy is sexin' me
Just the standin' next to me
Will make you a celebrity

(Hook: Trey Songz)

Don't get too close, too close
I might come on to you
Don't get too close, too close
I'm warnin' you
Cause if we fuck tonight
Tomorrow, you'll be famous
Just the standin' next to me
Will make you a celebrity
Cause if we fuck tonight
Tomorrow, you'll be famous
And you won't be the same bitch

(Verse 2: A\$AP Rocky)

Same bitch in my bang swish
Ass in my Aston, lane switch
When the paint drip when I blast past
Swag on a champagne drip

Let it splash on 'em
Bang this, I ain't pay shit
You spent your last on 'em
\$1000 jeans, call them Balmain
Life is so ghetto fab, call me Paul Cain
That's the reason why I'm with her
These other bitches bitter
I'm the quickest picker-upper
I will hit her then I'll quit her
Then I give her to my niggas
I'm no kidder, split her kitty litter
Finger in her shitter
Then forget her like we never did her
Reality, she sweatin' me
Her fantasy is sexin' me
Just the standin' next to me
Will make you a celebrity

(Hook: Trey Songz)

Don't get too close, too close
I might come on to you
Don't get too close, too close
I'm warnin' you
Cause if we fuck tonight
Tomorrow, you'll be famous
Just the standin' next to me
Will make you a celebrity
Cause if we fuck tonight
Tomorrow, you'll be famous]
You won't be the same bitch

(Interlude)

Show up when it's closing, same bitch
Just the standin' next to me
You won't be the same bitch
Same bitch
Same bitch I my Vanquish, ass in my asset lane shit
Same bitch bitch
Hit er then I quit er then I give er to my niggas
My shoes is Ricky Owen
Go man, my business ain't the only thing her
nose in

(Verse 3: A\$AP Rocky)

Snowin', blowin'
Frozen, coke land, snowman
My business ain't the only thing her nose in
Went from ex-pretty boy crook slash dope man
To handin' out hundred dollar bills to the doorman
Now somebody please let the hoes in
Now somebody please let my bros in

Boy, you won't believe how my foes end?
Overnight celebrities, they party 'til the show ends

(Hook: Trey Songz)
Don't get too close, too close
I might come on to you
Don't get too close, too close
I'm warnin' you
Cause if we fuck tonight
Tomorrow, you'll be famous
Just the standin' next to me
Will make you a celebrity
Cause if we fuck tonight
Tomorrow, you'll be famous
You won't be the same bitch
