Nocturnal Babies  
All big smiles  
With rows of teeth  
For miles and miles  
I'm falling in with a bad crowd  
And it's a deduce of a row

Moonshine love  
I'm dazed and confused  
I've got a superman ego  
That can't be bruised  
Every emotion's amplified  
And I'm going for a ride

And it feels like I could have  
Another  
And another

Cordial couples  
Lonely sods  
All crying out  
For heathen gods  
The kind of romance foreign  
To the sober kind

Moonshine love  
I'm dazed and confused  
I've got a superman ego  
That can't be bruised  
Every emotion's amplified  
And I'm going for a ride

And it feels like I could have  
Another  
And another
