Nobody loves me  
A sadder line  
Was never written  
The truth behind  
My cold depression  
Deathwish divine  
We're lonely people  
Without a spine

Give my regards to the next of kin  
Give my regards to the next of kin  
And tell them all what a smash it's been

I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world  
I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world

I'd tell the shadows  
Beyond the grave  
Depression's boomin'  
We're on our way  
Posthumously  
I'll have my day  
I'll make a scene a...  
Vulgar display

Give my regards to the next of kin  
Give my regards to the next of kin  
And tell them all what a smash it's been

I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world  
I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and

Be done with this world

I'm six feet under  
Before my time  
A virgin nothing  
One of a kind  
It makes no difference  
If I should find  
Someone who loved me  
I wouldn't mind

Give my regards to the next of kin  
Give my regards to the next of kin  
And tell them all what a smash it's been

I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world  
I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world  
I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world  
I'll say my prayers  
I'll say I'm sorry  
I'll say my everythings and  
Be done with this world

Give my regards to the next of kin  
Give my regards to the next of kin

And tell them all what a smash it's been
