Calling out around the world
Are you ready for a brand new beat?
Summer's here and the time is right
For dancing in the street
They're dancing in Chicago
Down in the New Orleans
In New York city

All we need is music, sweet music
They'll be music everywhere
They'll be swinging and swaying, records playing
Dancing in the street, oh

It doesn't matter what you wear
Just as long as you are there
So come on every guy grab a girl
Everywhere around the world
Dancing in the street, oh

It's an invitation across the nation
A chance for the folks to meet
They'll be laughing and singing,
The music swinging for dancing in the streets

Philadelphia, PA
Baltimore and DC now
Don't forget the motor city

Everyone China, Japan, South America and France
Australia, Brazil, Africa, everybody

Swinging and swaying and the records playing
Dancing in the Streets
