(feat. Brother Ali)

[Intro]

I can't scratch, cause I'm drunk
I got bad teeth and my gums are bleeding
Come and fucking get me, motherfucker
Yeah, break, start the song now, fucker

[Verse 1]

[Slug]

We travelin the missile, weavin' through your cornfields
Leavin behind a trail of amature porn and orange peels
Navagatin through this basement, the mascarades
As our nation, practicin' my acid take, masturbation
Watchin the expressions on the faces
Of the ones designated to be the queens, kings, and ??
How many miles can you put on one soul
Before the smile starts to blend into one big bullet hole

[Brother Ali]

Shoot through it as a union, with the best of my crew
Bumpin melodys and memories too, my heads killin
me, ohh
Stomach empty, my bladdar is full
?? on Jay Birds phone Cryin, ya missin me
And I'm stallin', I'll bite ya arm off
Sabertooth Tiger, run the night with the sharp claws
In ya backyard just to fuck with ya guard dog
Throw a brick through your shit and cut the alarm off
Bitch

[Slug]

Fuck yes, I do my best to take advantage in bouts
With one hand over the mouth, still managin' to shout
There's more said, then in the lines in your forehead
Then could ever try to find print on the inside of that
warhead
Cross country, like a little lost junky
Make them hot and jumpy, trying to get that God
money
Stearin the van through the blizzards, the fanfare

Pivot when we visit, spit victim if you stand there

[Brother Ali]

Take a map of this picture, throw a dart at it, that's
where

We took a room back full the kids and threw a heart at
it

Angry like a hostage, Kickin like a little bitch in one of
Dibs's mosh pits

Shifitin through your city limits tryin to find the raw shit

Thread and needle wit it, and weave a world of hate
together, till we get

'em car sick

Face full of war paint, strapped ready for action

Battle cracks headin, trying to seek the satisfaction of
the captain

[Slug]

Climbed over the side, closed his eyes

Took a dive into his fame, inspiration for stayin alive

Swam to the shore, stepped upon land

Walked up to a whore, grabbed her by the hand

And said

[Chorus]

[Slug & Brother Ali]

Let the wheels spin, let the road shake

Let the speakers blow

Let the line in, let the kids play

Let the people know

Let the roof burn, let the girls love

Let the heat flow

Let the world turn, let the curtains up

Cats Van Bags, Yo

[Verse 2]

[Brother Ali]

Lock eyes, with a thousand people at the same time

They minds, believin this, my style ??

Squeezin this, the mid west, sweat out of my shirt

And leavin with my life essence embedded in ya dirt

[Slug]

We work, move, and hustle with the rest of the Gypsies

Spoon feed these issues to a new school of Fishies

Swimmin through a hazy shade of passion

Here they come, the Hazleton has-been, and his
chaplin

[Brother Ali]

That's them, the migrants, seasonal workers

The finest imperial wordsmiths on the circuit
Two Million smiles and runnin, stompin', trying to flee
the heat
Turn around, shootin at the monster till his knees are
weak

[Slug]

They call me Jesus Freak, I came to listen
Then I save you, then I make you, my favorite position
Chasin' this pidgeon down the street towards the banks
Just in case, my traffic recieves jeeps and tanks

[Bridge]

[Slug]

And we wonder through the snow(?), so let it be known
Mama I don't know if I'ma ever be home
The revolution wont have any distribution
I love my son and my music so I gotta keep it movin'
Like

[Chorus]

[Slug & Brother Ali]

Let the wheels spin, let the road shake
Let the speakers blow
Let the line in, let the kids play
Let the people know
Let the roof burn, let the girls love
Let the heat flow
Let the world turn, let the curtains up
Cats Van Bags, Yo
