Oo wee Suzy, baby you're my lucky charm  
Oo wee Suzy, baby you're my lucky charm  
Oo wee Suzy, your're my lucky charm  
Together we'll go walkin' arm in arm  
Oo wee Suzy, baby you're my lucky charm  
Oo wee Suzy, baby you've got beautiful legs "yeah"  
Oo wee Suzy, baby you've got beautiful legs  
You've got beautiful legs and a lovely shape  
I've got my eyes on you baby and you can't escape  
Oo wee Suzy, baby you're my lucky charm

(SAX SOLO)  
"I feel lucky!"

(PIANO SOLO)

(GUITAR SOLO)  
Yeah if you want to you can think about it, sleep on it,  
damn it all tomorrow  
Yeah if you want to you can think about it, sleep on it,  
damn it all tomorrow, "yeah"  
Tell your mother and your father that you won't be  
home tonight  
We can meet up in the woods underneath the pale  
moon light  
Oo wee Suzy, baby you're my lucky charm  
Oo wee! Baby you're my lucky charm  
Oo wee Suzy, baby you're my lucky charm  
"Oo wee!"
