Well I went out this evening  
I left the little woman at home  
Thought I would have a little fun in a style that's all my  
own  
Well I rocked and rolled and bopped a while  
Played every spot in town  
Then I slipped into the hall where I'll be trouble bound  
Yeah I'm slip slip slip slippin' in  
Slip slip slip slip slippin' in  
Baby slip slip slip slip slippin' in  
Slip slip slip slip slippin' in  
I'm sneakin' yeah slippin' in slippin' in

I eased up to the front door  
Eased it opened wide  
I made sure the coast was clear  
And then I slipped inside  
I was inching through the doorway as quiet as I could  
be  
Well on came the lights and there she stood  
Lookin' straight at me

Well I'm slip slip slip slippin' in  
Slip slip slip slip slippin' in  
Baby slip slip slip slip slippin' in  
Slip slip slip slip slippin' in  
I'm sneakin' yeah slippin' in slippin' in  
Go

Well everybody knows it  
It's very plain to see  
That slippin' around goes hand in hand with a woman  
misery  
Well ask me little woman  
Ask me where I've been  
That slippin' around is a lot of fun  
But oh that slippin' in

Well I'm slip slip slip slippin' in  
Slip slip slip slip slippin' in  
Baby slip slip slip slip slippin' in

Slip slip slip slip slippin' in  
I'm sneakin' yeah slippin' in slippin' in
