(verse 1)

Open your eyes, I haven't see you for a while, was there
ever a time, that you wanted to begin it?

Don't leave me know, cause I dig your style, it's so
simple you, don't slow me down lets move it, it, it....

(pre-chorus)

Whoa oh oh oh, give me something,
whoa oh oh oh, give me anything,
whoa oh oh oh, give me something to believe in...yeah

(chorus)

Give it, give it all, won't you give it?
Give it, give it all, won't you give it?
Give it, give it all, come stand by me.

(verse 2)

Only love, can take you on a journey,
to a place you've never been,
won't you open up receive it?
Hear me now, don't you see my smile,
it takes only a sign from you that your more than
willing, ing, ing...

Whoa oh oh oh, give me something,
whoa oh oh oh, give me anything,
whoa oh oh oh, give me something to believe in...yeah

Give it, give it all, won't you give it?
Give it, give it all, won't you give it?
Give it, give it all, come stand by me.

(bridge)

Seeing, is believing,
can you hear it, right now yeah it's coming down
Well I tried to open another door
its hard to realize whether your love has come
so what should you do, oo, oo, oo.

Whoa oh oh oh, give me something,
whoa oh oh oh, give me anything,
whoa oh oh oh, give me something to believe in...yeah

Give it, give it all, won't you give it?
Give it, give it all, won't you give it?
Give it, give it all, come stand by me.
