(verse 1)
here's, here's where I hide
hide from the world when I can't escape
whats in front of me,
its hard to see it, whoa whoa

cause I, I'm free and I know whats right I try, whoa whoa whoa, save me...

(verse 2)
It all seem so full
as if I'm ahead of the game
I chose to play
it all seem so real
what do I feel when I can't walk away

(chorus)

cause i, I'm free and I know whats right I try, to do whats right when the lies collide whoa whoa whoa whoa save me, why won't you, save me...
