(verse 1)

Here in your arms  
sending waves to the stars  
could I ever, be just half,  
it was worth a try  
even though no reply  
I committed, to your past,

Cause oo, oo you know me,  
oo oo you've shown me,  
oo, oo you know me,  
oo, oo you've shown me.

(chorus)

Oo say yes to me, say yes to me, whoa oo whoa,  
and it wasn't what I believed, what I believed whoa ooh  
whoa,  
you oo you know me, you oo you know me aha whoa oo  
whoa,  
you know me so well...

(v-2)

Don't drag the lies  
into each others lives  
when a simple, yes would do,  
though I've moved on

and I tried to be strong  
I still lay down, cause its you...

Oo, oo you know me,  
oo oo you've shown me,  
oo, oo you know me, oo, oo you've shown me.

(chorus)

Oo say yes to me, say yes to me, whoa oo whoa,  
and it wasn't what I believed what I believed whoa ooh  
whoa,  
you oo you know me, you oo you know me aha whoa oo  
whoa,  
you know me so well...

(guitar solo and bridge)

You know me so well,

you know me so well...

ah hey, ah hey, ya ooh whoa, whoa oo whoa...

(chorus)

Say yes to me, say yes to me, whoa oo whoa,

and it wasn't what I believed what I believed whoa ooh

whoa,

you oo you know me, you oo you know me aha whoa oo

whoa,

you know me so well...so well...

Here in your arms sending waves to the stars could i

ever, be just half.....
