(verse 1)

I lay awake  
I stay awake thinking bout you (oh yeah)  
I close my eyes  
wanting to be just as high, as you  
I can barely see you now..

(chorus)

To you, to you  
up, up, to you....  
to you, to you,  
up, up, to you....  
I wanna fly, I wanna be where you are  
I wanna fly, I wanna be where you are

(verse 2)

I feel the way  
that it use to be  
and it makes me smile (for a little while)  
and you aren't so near but now its very clear  
that your so high  
I can barely see you now..

To you, to you  
up, up, to you....  
to you, to you,  
up, up, to you....  
I wanna fly, I wanna be where you are  
I wanna fly, I wanna be where you are

(guitar solo)

your so high, I can barely see you anymore,  
your so high, I can barely see you anymore,  
whoa oo whoa

To you, to you  
up, up, to you....  
to you, to you,  
up, up, to you....  
I wanna fly, I wanna be where you are  
I wanna fly, I wanna be where you are

to you, to you, up, up to you  
to you, to you, up, up to you

to you.....
