(verse 1)

I see the right, I feel the wrong
given what I've got, I couldn't give my heart
I see the lies all twisted wild,
given what I've got I couldn't give my heart

Why'd you give at all?
why'd you give at all?

ooh whoa whoa

(verse 2)

I hear the wise, but I speak my mind
given what I've got, I couldn't share my world
I see the lies all twisted wild
given what I've got I couldn't give my world

Why'd you give at all?
why'd you give at all?

'Cause who are you?
Well I tried and tried a million times, to get through
whoa whoa whoa

whoa whoa whoa
who are you baby?
who are you?

I see the right I see the wrong
given what I've got I couldn't give my heart
I see the lies all twisted wild
given what I've got I couldn't give my heart

Why'd you give at all
why'd you give at all

'Cause who are you?
well I tried and tried a million times to get through
whoa whoa whoa
whoa whoa whoa
who are you baby?
who are you?

'cause I tried and tried a million times to get through
oh who are you?
oh who are you?
no, who are you?

who, who, who, who are you?
