Cupid, you're so stupid  
You shot me down with the wrong arrow  
Cupid, look what you did  
And now I'll never be the same  
When his world crumbles, when he's fears double  
I won't be the one  
Oh, when his eyes glow and his heart beats  
Oh, I won't be the one, I won't be the one  
Cupid, what you doing?  
Give me a love that's not my own  
Cupid, you're so foolish to give a love but not a home

When his world crumbles, when he's fears double  
I won't be the one  
Oh, when his eyes glow and his heart beats  
Oh, I won't be the one, I won't be the one  
Not to tuck him in, not to blow him kisses  
Not to come home to, not to share my life with  
When my world crumbles, when my fears double  
He won't be the one  
Oh, when my eyes glow and my heart beats  
Oh, he won't be the one, he won't be the one  
Cupid, I'm so stupid to think that I could be the one
