i am  
i give  
i get  
i have  
i sell  
uh huh right out the way  
i have to get it on, push it out  
run your mouth  
cccccount it out and cash it all together

kkkk kill me  
ssss sell me  
sh sh sh sh show me right out the door again  
you had it  
you lost it  
you have no one left!

I've got your friends and lovers  
they wont let me down  
I've got your hearts and sorrows  
they wont let me down

i want  
i need  
i kill  
i shit

i wont  
i will have it again, just try and tell me no way  
I've got more than you  
I've got lots to say  
just try and test me again

cause ill come for you  
with switchblade knives  
'and ill slowly cut those angels wings and clip the wings  
of devil's eyes  
yeah!

i've got your friends and lovers  
they wont let me down  
i've got your hearts and sorrows

they wont let me down

i've got your friends and lovers  
they wont let me down  
i've got your hearts and sorrows  
they wont let me down

i've got your friends and lovers  
they wont let me down  
i've got your hearts and sorrows  
they wont let me down
