i take a look at what i will never know
and you'll never know again from me
you threw away all the best you had in vein
and the rest of all my pain
so we go today
ahhhh ohhhhh

dust myself off from the rocks thrown at my head
yeah i'm beatin' and i bleed from my head down to my
feet now
i had a dream had a way to come and see
'and the light at the end of tunnels
the tunnels are turning red now

gonna getcha gonna getcha to go now
blow away blow away your head now
take a pill take on your way now
gonna getcha gonna getch to go go
gonna getcha gonna getcha to go now
blow away blow away your head now
take a pill take on your way now
gonna getcha gonna getch to go go

i'm gonna ride this out
i'm gonna say it loud
i'm gonna bet the farm and no your name
is not my name now
i'm gonna ride this out
i'm gonna say it loud
i'm gonna bet the farm and no your name
is not my name now

yeah! yeah!

gonna getcha gonna getcha to go now
blow away blow away your head now
take a pill take on your way now
gonna getcha gonna getch to go go

i'm gonna ride this out
i'm gonna say it loud
i'm gonna bet the farm and no your name

is not my name now
i'm gonna ride this out
i'm gonna say it loud
i'm gonna bet the farm and no your name
is not my name now

(backing)

gonna getcha gonna getcha to go now
blow away blow away your head now
take a pill take on your way now
gonna getcha gonna getch to go go

(backing)
