(feat. Lana Del Rey)

So bold and fine
I've known you for this time!
Whole life changed wild

Boys like yours and mine!
Go dance in the woods and
Down we go, down, down!
Oh boy, you're mine,
Do you remember old times?

Chorus: (x2)
Go deep boy, I wanna follow you!
You're my boy, I am the one or two
Go deep boys, I wanna be with you
It's a time for anything and not for you!

All the mind distraction ain't a crime
For those who find love as a game like you and my
We dance in the waters of all the tears we cry
Oh boy, you find me, I remember all the time!

Chorus: (x2)
Go deep boy, I wanna follow you!
You're my boy, I am the one or two
Go deep boys, I wanna be with you
It's a time for anything and not for you!
