feat. Lana Del Rey

So bold and fine
I've known you forwards in time
Oh, I changed wild boys like yours and mine

Go dance in the woods
And down we go, down, down
Oh, boy, you're mine
Do you remember our time?

Oh, dear boy, I wanna follow you
You're the one, you're the one that I go to
Oh, dear boy, I wanna be with you
Dear boy, everything I do for you
Oh, dear boy, I wanna follow you
You're the one, you're the one that I go to
Oh, dear boy, I wanna be with you
Dear boy, everything I do for you

Never doubt me, everything in the world

Oh, love of mine
Distraction and cry
For those who find
Love and second light in life
Go dancing in the waters
Of all the tears we cried
Oh, boy, if I do remember
All the times

Oh, dear boy, I wanna follow you
You're the one, you're the one that I go to
Oh, dear boy, I wanna be with you
Dear boy, everything I do for you
Oh, dear boy, I wanna follow you
You're the one, you're the one that I go to
Oh, dear boy, I wanna be with you
Dear boy, everything I do for you
