Do you think about when you are alone  
the things we used to do when used to be  
I could be the one to make you feel that way  
I could be the one to set you free  
Do you think about when the crowd is gone  
it used to be so easy you and me  
I could be the one to make you feel that way  
I could be the one to set you free  
Avicii  
I could be the one to make you feel that way  
I could be the one to set you free  
I could be the one to make you feel that way  
I could be the one to set you free
