We got a long way down from here and it's far away  
I was way away away  
Not feeling it  
Way away away  
You were up, down too down  
To be moved I was up out too  
Out making my own way  
And I'm feeling it  
Way away away

Did it hurt at all  
When you left it all  
Is it safe to say it's all been said  
And I love you still 'cause you love the thrill  
Don't do this, no don't do this no

I got a lot less careful and I lost all to say  
You were way away away  
Not feeling it  
Way away away  
You were up too much for bringing back that trust I  
miss that innocence I lost I'm making my own way  
And I'm feeling it  
Way away away

Did it hurt at all  
When you left it all  
Is it safe to say it's all been said

And I love you still 'cause you love the thrill  
Don't do this no don't  
Did it hurt at all  
When you left it all  
Is it safe to say it's all been said  
And I love you still 'cause you love the thrill  
Don't do this, no don't do this no

We're all too blame, we're all too late  
Did it hurt at all  
When you left it all  
Is it safe to say it's all been said  
And I love you still 'cause you love the thrill

('cause you love the thrill)

'Cause you love the thrill  
Did it hurt at all  
When you left it all  
Is it safe to say it's all been said  
And I love you still cause you love the thrill  
Don't do this, no don't  
Did it hurt at all  
When you left it all  
Is it safe to say it's all been said  
And I love you still 'cause you love the thrill  
Don't do this, no don't do this  
Don't do this no don't do this  
Don't do this no don't do this no
