I can't believe it,  
The way you look sometimes,  
Like a trampled flag on a city street,  
Oh yeah,  
And I don't want it,  
The things you're offering me,  
Symbolized bar code quick id,  
Oh yeah,  
Im a 21st century digital boy,  
I don't know how to live (or read)  
But Ive got a lot of toys,  
My daddy is lazy middle class intellectual,  
My mammys on valium,  
Shes so ineffectual,  
Aint life a mystery?

I can't explain it,  
The things they're saying to me,  
Going yayayayayaya,  
Oh yeah,  
I tried to tell you about no control,  
But now I really don't know,  
And then you told me how bad you had to suffer,  
Is that really all you have to offer?
