This song goes out  
To all the hopeless sinners,  
With grave allegiances,  
So meaningless and vain,

The walking wounded in a pagent of contenders  
Who balance on a rail of pain for just a pail of rain

And everything is barely mist, blood relations and  
bricks  
My expression, my confession, add it up, extract a  
lesson, more than this,  
Once again, like a bullet as a friend, tell me: can that  
be all there is?

In my rectory of doubt, I kneel to pray like one devout,  
As time the great gray dreamless sleep of a useless  
modern god  
Erodes away each storied day as wretched Adams with  
hell to pay  
Content upon a rail of pain for just a little rain.

And everything is dearly missed, blood relations and  
bricks  
My expression, my confession, add it up, extract a  
lesson, more than this,  
Once again, like a bullet as a friend, tell me: can that  
be all there is?

There?s an endless disposition,  
And it doesn?t mean a goddamn thing?  
There?s space for a paper-airplane race in the eye of a  
hurricane.

And if pigs could fly, then surely so could I,  
But this pedestrian knows better than to even try,  
And my divinity is caught between the colors of a  
butterfly.

And everything is dearly missed, blood relations and  
bricks

My expression, my confession, add it up, extract  
duress and more than this,  
Once again, like a bullet as a friend, tell me: can that  
be all there is?  
All there is?
