"Can't Stop It"

I'm incurable but durable it's easy to see
Lack of restraint is a complaint of those around me
I know that others postpone
Gratification well I lack that affectation

Let's get it right
There's no end in sight
And I
Can't stop
Can't stop
Can't stop it
Can't stop
Can't stop
Can't stop shocking but I just can't stop it
That's right

Uncontrollable
I'm inconsolable
My pleasure center is the shelter for a reptile
I hate when I gotta tolerate
Frustration see I lack the motivation

Let's set this straight
I never wait
And I
Can't stop
Can't stop
Can't stop it
Can't stop
Can't stop
Can't stop shocking but I just can't stop it
That's right
