Oh oh oh oh, oh oh oh oh, oh oh oh oh
Oh oh oh oh, oh oh oh oh, oh oh oh oh
Ooh, up every evenin' 'bout eight or nine
I give my attention to a very good friend of mine
He's quadraphonic, he's a, he's got more channels
So hologramic, oh, my TVC one five
I brought my baby home, she sat around forlorn
She was my TVC one five, and then baby's gone
She
She crawled right in, oh my, he crawled right in my
So hologramic, oh my TVC one five
Oh, so demonic, oh my TVC one five
Maybe if I pray, every each night I sit there pleadin'
"Send back my dream test baby, she's my main
feature"
My TVC one five, he just stares back unblinkin'
So hologramic, oh my TVC one five
One of these nights I may just jump down that
Rainbow way
Be with my baby, then we'll spend some time together
So hologramic, oh my TVC one five
My baby's in there someplace, love's rating in the sky
So hologramic, oh my TVC one five
Transission, transmission
Transission, transmission
Oh my TVC one five, oh oh, TVC one five
Oh my TVC one five, oh oh, TVC one five
Oh my TVC one five, oh oh, TVC one five
Oh my TVC one five, oh oh, TVC one five
Maybe if I pray every, each night I sit there pleadin'
"Send back my dream test baby, she's my main
feature"
My TVC one five, he just stares back unblinkin'
So hologramic, oh, my TVC one five
One of these day I may just jump down that
Rainbow way
Be with my baby, then we'll spend some time together
So hologramic, oh my TVC one five
My baby's in there someplace, loves rating in the sky
So hologramic, oh my TVC one five
Oh oh oh oh, oh oh oh oh, oh oh oh oh

Oh oh oh oh, oh oh oh oh, oh oh oh oh
