Who do you believe can put some meaning in your life
Meaning in your life
Meaning in your life
Who do you conceive to provide you guidance and light
Guidance and light
Guidance and light
Are they waiting for you in the by and by
Do you even have to try

Headed for eternity and destined for nothing
The future isn't difficult to see
It's easy to confuse grand design with life's
repercussions
Lament not your vanquished fantasy
It's only destiny

Why do you consent to live in ignorance and fear
Ignorance and fear
Ignorance and fear
Ancient people succumbed to it can it happen here
Can it happen here
Can it happen here
Does it make you suffer cuz you have to die
Is it best to live a lie

Headed for eternity and destined for nothing
The future isn't difficult to see
It's easy to confuse grand design with life's
repercussions
Lament not your vanquished fantasy
It's only destiny

Why can't you see
There ain't no destiny
For you and me
There ain't no destiny
Why can't you see
There ain't no destiny
For you and me
There ain't no destiny

Headed for eternity and destined for nothing
The future isn't difficult to see
It's easy to confuse grand design with life's
repercussions
Lament not your vanquished fantasy
It's only destiny
