"Joy To The World"

Ladies and gentlemen (hand clapings)of the
community of angels
I'd like to share a little something we've done...
Joy to the world
The Lord is come
Let Earth receive her King
Let every heart
Prepare Him room
And Heaven and nature sing
And Heaven and nature sing
And Heaven
And Heaven and nature sing
He rules the world
With tooth and nail
And makes us follow him
They can't tell us why
They just fall in line
And he shall rule the world
And he shall rule the world
And he shall
And he shall rule the world
He rules the world
I've said that before
And now i think i'm done
I can't remember anymore
Of this crazy song
But hey it's christmas time
But hell it's christmas time
And he he, and ho ho ho
It's christmas time
