### "What It Is"

There's a purpose, there's a goal,  
There's a virtuos, and immoral,  
There's a reason for all of this,  
And I don't know what it is

I am one, and plural too,  
I accept them but they exclude,  
I could make sense of all of this,  
But I don't know what it is

The seeds of inspiration never germinated in my mind,  
The beacon of awakening is somewhere that I can't  
find, so  
I don't know what it is

There's a beginning, and there's an end,  
There's a climax, some would contend,  
There's a way to signify this,  
But I don't know what it is
